

SPS83 Suction Strainer

INTRODUCING SPS83

SPS83 Suction Strainer is specifically designed for water reclaim and vehicle washing use. Made of a rugged cast iron body and a stainless steel basket, this product pairs with our Prime Line® SP pumps to offer a complete pump and suction strainer option for you. This is designed to fit all Prime Line SP models, as well as other self-priming pumps, and will filter out large particulates from entering the pump, enabling you to ensure your water needs are met.

APPLICATIONS

Vehicle Washing • Water Reclaim

LET'S SOLVE YOUR WATER NEEDS!
