

HoseCoil *Cockpit Washdown System* Side Mount Enclosure

Cockpit Washdown System

The perfect solution for installing a washdown hose on your boat that is out of the way. Never trip on a hose again! This clever design will allow you to mount the enclosure in the cockpit and out of the way. The enclosure can be easily attached directly to a Jabsco/Flojet washdown pump or raw water supply line. Adapter fittings are included to fit 3/8" (10 mm), 1/2" (12.7 mm), and 5/8" (16 mm) hose.
